

RECSA TAC Holds its 7th Ordinary Sitting

The RECSA Technical Advisory Committee (TAC) held its 7th Ordinary meeting in Djibouti on 13th and 14th February. The meeting considered reports from the Planning and Operations, Human Resource, and Finance and Audit sub-committees that met prior to the TAC meeting.

The sub-committees considered issues arising from key documents presented by RECSA before submitting reports to the TAC meeting. The documents will be forwarded to the Council of Ministers (COM) by TAC for approval. COM is expected to sit in May in Djibouti.
